Press Release

Paragon Development Systems (PDS) Names CV Reps as Manufacturer's Representative in Western US

Focus on IP Based Event Recording Technology for Law Enforcement , Healthcare and Corporate Applications

Santa Clara, CA, January 4, 2010 Paragon Development Systems (PDS), a leading supplier of event recording and data basing technology for law enforcement, healthcare and corporate applications, has hired CV Reps to handle the professional representation of its products throughout the Western United States.

CV Reps, based out of Santa Clara, CA, is a manufacturer's representative for IP video surveillance and security solutions. CV Reps has secured its place within the industry through its commitment to providing cutting edge technology and excellent service to its customers.

"We are pleased to have CV Reps representing PDS Video Solutions in the Western US. CV Reps has proven that they are true leaders in IP Video Surveillance," said Justin Sherman, Director of Channel Sales for PDS Video Solutions. "This leadership, coupled with complementary product lines, gives me great confidence that this new partnership will prove to be a success."
